INDÉPENDANT SANS CONCESSION

Signer pour un label en gardant une indépendance totale, c'est un coup de maître.

La première fois que mes fragiles oreilles ont été envahies par le son Manu Negra, mon cerveau a tout de suite adhéré aux tourbillons des suites de notes qui font un bon groupe.

Puissance, Rythme, ambiance, tous les ingrédients sont présents pour faire une bonne recette et là, on se gave, on partage entre amis et on reprendrait bien du dessert.

La fin du groupe n'a pas mis un terme à cette envie frénétique de s'en recoller pleins les esgourdes et le flambeau n'est pas prêt de s'éteindre.

Cordialement
Baron von H.

INDEPENDENT WITHOUT CONCESSION

Sign to a label bearing full independence, it is a master stroke.

The first time my fragile ears were invaded by the sound Manu Negra, my brain immediately joined vortices sequences of notes which are a good group.

Power, pace, atmosphere, all the ingredients are present for a good recipe and then crams it, we share with friends and resume good dessert.

The end of the group did not put an end to the frantic urge to pick up in the full esgourdes and the torch is not ready to go out.

Cordially
Baron von H.

MANO NEGRA

BIBLIOGRAPHIE

Manu Chao participe activement à **Los Carayos**, mais a le projet d'un autre groupe. Il réunit autour de lui plusieurs musiciens d'autres groupes notamment **Alain des Wampas**, ou encore **Mamack** des **Chihuahua**, **Santi et Tonio**. **Manu Chao** rencontre les **Casse-pieds** alors qu'ils jouent dans le métro, il invite le groupe pour l'enregistrement de **Patchanka** avec l'énorme tube **Mala Vida**.

En 1988, **Bernard Batzen** devient le manager du groupe et leur conseille de construire leur propre société : **la SARL Patchanka**. Ainsi, grâce à leur nouveau manager, la **Mano Negra** enchaîne les concerts. Le groupe voit alors sa notoriété grimper. Le groupe devient un grand groupe du rock français.

Le groupe signe alors chez **Virgin**, qui ne leur offre pas plus d'argent, mais plus d'indépendance. La **Mano Negra** garde toutes ses libertés et décide des titres de l'album, du single destiné aux radios, du marketing, des affiches, de la promo et enfin de ne pas avoir de producteur.

Ainsi, c'est sous le label Virgin que sort le 1^{er} septembre 1989 le second album **Putu's Fever**; le succès est encore plus grand pour le second opus de la **Mano Negra**. L'album connaît un franc succès notamment avec les singles **King Kong Five** et **Pas Assez de Toi**. Le troisième single, **Sidi 'h' Bibi** ne passe pas sur les radios françaises parce que chanté en arabe. Le groupe reçoit le **Bus d'Acier** en 1990 pour leur album.

Mano Negra part fin 1993 pour la Colombie en train. Mais le train trop lent, la drogue à trop bon marché, les finances inexistantes font que la tension devient insupportable. La fin définitive de **Mano Negra** aura lieu après les nombreuses réunions de la **société Patchanka**, entre 1994 et 1995. Il en ressortira que **Manu Chao** n'aura plus le droit d'utiliser le nom **Mano Negra**, sauf si un minimum de cinq musiciens du noyau y participent.

MANO NEGRA

BIBLIOGRAPHIE

Manu Chao in **Los Carayos** actively involved , but the project of another group . He gathered around him a number of musicians from other groups including **Alain Wampas**, or **Mamack** of **Chihuahua**, **Santi** and **Tonio**. **Manu Chao** meets the **Casse-pieds** playing in the subway , he invited the group to record with the huge tube **Patchanka Mala Vida** .

In 1988, **Bernard Batzen** becomes the band's manager and advise them to build their own company: **SARL Patchanka**. Thus, thanks to their new manager **Mano Negra** series of concerts . The group then sees his fame rise. The group becomes a large group of French rock .

The band signed with Virgin , which does not give them more money, but more independence. **Mano Negra** retains all its freedoms and decides tracks on the album , the single for the radio , marketing, posters, and finally the promotion of not having a producer.

Thus, it is under the Virgin label that released on 1 September 1989 the second album **Putu 's Fever**; success is even greater for the second installment of the **Mano Negra**. The album knows a great success especially with **King Kong Five** singles and **Pas Assez de Toi**. The third single, **Sidi 'h' Bibi** does not pass on French radio because sung in Arabic. The group receives **Bus Steel** in 1990 for their album.

Mano Negra from late 1993 to the British train. But the train too slow, the drug too cheap, non-existent finances mean that the tension becomes unbearable . The final end of **Mano Negra** will take place after the many meetings of the **company Patchanka** between 1994 and 1995. **Manu Chao** will emerge that will not have the right to use the name **Mano Negra**, unless a minimum of five musicians nucleus involved.
